Mr. George Bush Director of the C.I.A. Washington, D.C. 20505

Dear Mr. Bush:

As you know, the justice system throughout the United States has been subjected to a great deal of criticism in recent years. The California Probation, Parole and Correctional Association* is aware of the inconsistencies and inadequacies of the correctional field. As we endeavor to find appropriate solutions, our organization is attempting to explore what impact professionals, organizations, programs and systems have on the full spectrum of the justice system.

Sir, you have been suggested as a possible speaker at our 1977 Annual State Conference, and the conference members agree that you could make a valuable contribution to the conference. We would appreciate knowing as soon as possible whether you would be willing to consider speaking at our State Conference, which will be held on May 11, through May 13, 1977.

Our State Conference is an extremely important vehicle for the sharing of ideas and varying views, and it significantly affects various correctional systems in the state. California has been a leader in positive change in the correctional field for years, and CPPCA has been and will be at the vanguard of this continuing change.

We are by nature not a wealthy organization, but we will be more than happy to pay all of your conference expenses, i.e., travel, lodging, if staying overnight, etc.

We will be looking forward to hearing from you soon regarding your availability for speaking at the State CPPCA Conference in Fresno, California, May 11 - 13, 1977. Thank you for your time and consideration.

Sincerely,

Tom Sirene

*The California Probation, Parole and Correctional Association has over 3,000 members who are professionals in the field of corrections in California.
